**[Docket No. CP95-492-000]**

**Colorado Interstate Gas Co.; Notice of Request Under Blanket Authorization**

May 12, 1995.

Take notice that on May 10, 1995, Colorado Interstate Gas Company (CIG), Post Office Box 1087, Colorado Springs, Colorado 80944, filed in Docket No. CP95-492-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to construct and operate a new delivery facility for service to Utilicorp United, Inc. (Utilicorp), a local distribution company, in Douglas County, Colorado, under CIG's blanket certificate issued in Docket No. CP83-21-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

CIG proposes to construct approximately 3.3 miles of 6-inch loop line on CIG's existing line in Douglas County for deliveries to Utilicorp to accommodate growth in the Castle Rock,

Colorado, area. It is stated that CIG would use the proposed delivery point for the delivery of approximately 3,500 Mcf of gas per day transported for Utilicorp under the terms of its Rate Schedule TF-1. It is stated that the volumes to be delivered would not exceed the volumes presently delivered to Utilicorp. The construction cost is estimated at \$468,000. CIG states that it has sufficient capacity to render the proposed service without detriment or disadvantage to its other existing customers and that its tariff does not prohibit the addition of delivery points.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

**[Docket No. CP95-491-000]**

**NorAm Gas Transmission Co.; Notice of Request Under Blanket Authorization**

May 12, 1995.

Take notice that on May 9, 1995, NorAm Gas Transmission Company (NGT), 1600 Smith Street, Houston, Texas 77002, filed in Docket No. CP95-491-000, a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.216) for authorization to abandon and remove an above-ground 2-inch meter station on Line AM-52, Upshur County, Texas, under the blanket certificate issued in Docket Nos. CP82-384-000 and CP82-384-001, pursuant to Section 7(b) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

NGT states that it proposes to abandon and remove the 2-inch meter that provides service to one residential

farm tap, a customer of Arkla, a division of NorAm Energy Corp. (Arkla). Arkla has consented in writing to the removal of the 2-inch meter. NGT indicates that the estimated cost to remove the meter is \$365 and the funds would be generated internally. NGT says that no customers or service will be abandoned. NGT states that it will continue to operate an existing 2-inch regulator to serve that customer, but Arkla will install its own meter to measure the gas delivered. The volumes to be delivered through the tap will be approximately 1 MMBtu on a peak day and 85 MMBtu annually.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
